i No doubt that by the above arrangement the public in the C.M. Station can purchase Notarial stamps from the Treasury. But as they were hitherto enjoying the special privilege of getting them from their Treasury which may be more convenient to them, it is for consideration whether that privilege may be suddenly withdrawn without reference to the Residency Treasury and whether in addition to the power to sell these stamps to be obtained by the Stamp Inspector Superior the old privilege of them being sold in the Residents Treasury may not be continued by amending the Note here to the effect "Notarial stamps will also be supplied on indent to"

WD 11/8 The cancellation of the Note Bene is likely to involve correspondence with the Residency. Besides, it does not seem to be desirable to withdraw this facility without consulting the Residency. DK

Sir,

I have the honor to state that in reply to a reference from the Superintendent of Stamps as to whether Notarial Stamps may be issued by him for use in the State, I have informed him that they should be sold to the public in the same manner as other General Stamps as such - - Stamps will have now to be used in the State also consequent on the introduction of the Negotiable Instruments Regulation.

2. As the Note ~~bene~~ under Rule 34 of the Rules relating to the control, Manufacture, custody, supply and sale of stamps, viz. that "Notarial Stamps are supplied, on indent, to the Hon'ble the Resident Treasury, Bangalore", is not now necessary and as the sale of - - "Notarial Stamps also by the Supervisor of the Stamp Superintendent's office as Ex-Officio vendor may afford much ~~co~~convenience to the - public, I request that the said "Nota Bene" may be cancelled and the words "Transfer Stamps, Foreign Bill Labels and Notarial Stamps" may be substituted for the words "Transfer Stamps and Foreign Bill Labels" at the end of the aforesaid Rule 34.

Sir,

I am directed to invite kind reference to Rule 34 of the Rules regarding the control, manufacture, custody, supply and sale of stamps (copy enclosed for ready reference) and to state that the "Nota Bene" thereunder was considered necessary in 1916 as there was no Regulation then in force relating to Negotiable Instruments in the State. The Negotiable Instruments Regulation, 1917, has, however, since been introduced in the State and arrangements have been made for the sale of notarial stamps to the public in the same manner as other stamps.

2. ~~It is considered desirable to~~ the Stamp Supervisor Cubbison generally with the powers of selling these Notarial stamps as well, so that the residents of the Civil and Military Station may also purchase them from this official instead of from the Hon'ble the Resident's Treasury which has first to indent and obtain the stamps under the present practice.

3. In this view, the Commissioner of Stamps in Mysore, has suggested the omission of the "Nota Bene" to the rule referred to above.

4. If the Hon'ble the Resident sees no objection, the Durbar propose to accept the suggestion of the Stamp Commissioner and to issue the necessary instructions
